

It's about teamwork

Moye White offers strategic representation in complex commercial transactions and disputes. Our clients range from entrepreneurs and startups to mid-sized and established corporations, organizations, and associations. We also provide local counsel services for many national law firms.

Our attorneys, paralegals, and administrative staff collaborate in a unique, team-oriented environment. We take the time to get to know our clients, understand their interests, and help define their future goals. Attorneys from our Transaction and Trial sections often consult with one another on case issues and strategies. Our team approach fosters increased communication, streamlined processes, and shared knowledge that results in thorough advice to our clients.

Moye White's attorneys have a reputation for excellence and an eye for detail. We integrate experience, commitment, creativity, and collaboration with premium service to create the best possible client-attorney partnership and add value for the long term.

As needs change and industries emerge, we continue to increase our services, capabilities, and talents to better serve our clients in an expanding commercial marketplace.

Founded in a tradition of excellence, we embrace new methods, technologies, and perspectives to serve as effective legal advocates. Whatever the case, matter, or issue, the resources of the entire firm are dedicated to every client.
